## THE INNOVATIVE MPV

Citroën Grand C4 SpaceTourer brings you the essence of Citroën design and technological innovation. You can see it in the bold dynamic lines and the unmistakable light signature both front and rear. Inside, new levels of comfort and versatility combine to create an engaging and inspiring place for everyone.

---

## SPACIOUS AND FLEXIBLE

FOR GREATER COMFORT

Citroën Grand C4 SpaceTourer is equipped with individual rear seats that are equally accommodating – it can be independently slid and tilted for greater comfort. With dual-zone air-conditioning for personalised climate control, and dedicated air blowers on rows 2 and 3, flexible comfort is within easy control.

Naturally, there are plenty of useful storage spaces – a removable centre console seat, under-floorboard storage compartments and generous backseat storage pockets.

## — CHILD WATCH SAFETY MIRROR

A second rear-view mirror lets you always watch your kids in the back. Ensuring your family's safety so you never need to take your eyes off the road and turn around while you drive.

## — AIRCRAFT-STYLE TRAY TABLES

Aircraft-style tray tables are also integrated onto the rear of the front seats, perfect for a child's snack break or reading time.

## ULTRA CONNECTED

### FOR EVEN MORE INTUITIVE TECHNOLOGY

Stay connected on the road with an improved, more responsive interface. The Mirror Screen function allows you to use compatible applications from your smartphone on the 7 inch touchscreen (works with Apple CarPlay™, MirrorLink® and Android Auto). In addition to the 7 inch touchscreen, there is also a 12 inch panoramic HD display, which brings you all the vital driving information. It also allows you to see 3D navigation maps in perfect HD in large format for easy reading. This impressive screen can be easily personalised to feature driving aids, multimedia or trip computer information. Wherever you go, you'll be very well connected.

## HANDS-FREE ACCESS\*

One of many useful innovations in Citroën Grand C4 SpaceTourer is the hands-free tailgate. Approach the car with your hands full and all you have to do to get access to the boot is move your foot in front of the sensor mounted under the rear bumper and the tailgate will open or close. Loading just became hassle-free.

## EFFICIENCY WITHOUT COMPROMISE

Citroën Grand C4 SpaceTourer is now available with the EAT8 automatic gearbox which also drives down CO<sub>2</sub> and maximises fuel efficiency, by managing engine speed smoothly and precisely during gear changes.

With a high pressure direct injection and a new generation Turbo of high efficiency (running to 240,000 rpm), the innovative and lively 3-cylinder turbo charged PureTech 130 S&S EAT8 engine provides very comfortable driving at low rpm. It displays the best low-end torque/performance of the market: 95% peak torque is available from 1,500 to 3,500 rpm for optimal use in all situations.

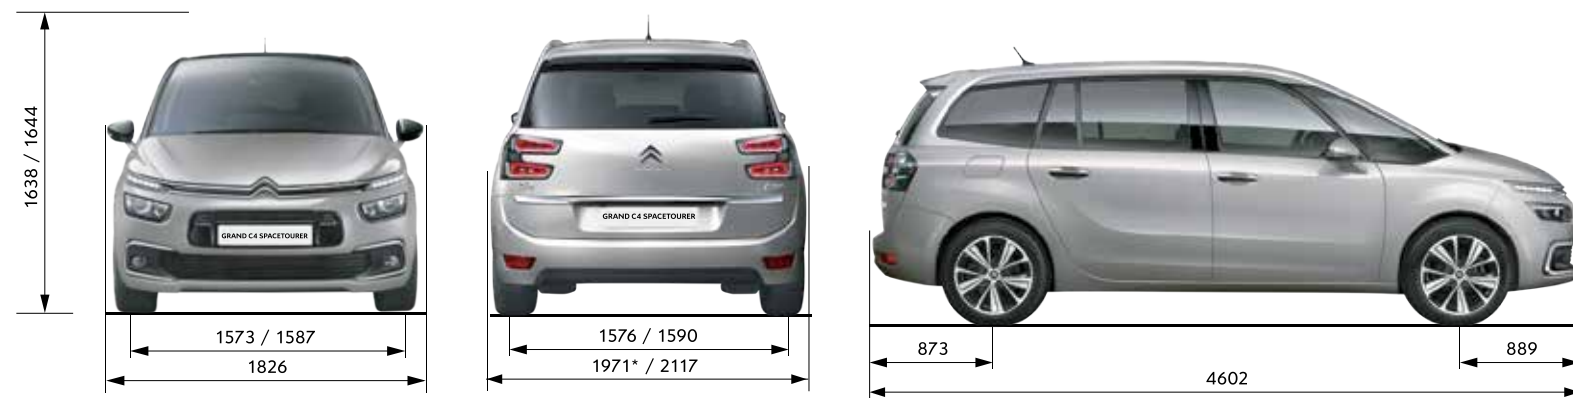

2015, 2016, 2017 and 2018 International Engine of the Year Award for the PureTech 110 and 130 S&S, in the 1 l to 1.4 l engines category, awarded by the jury of The International Engine of the Year Awards organised by the British magazine Engine Technology International.

## CITROËN CARE

At Cycle & Carriage, we take pride in the competence of our after-sales staff, who are well-trained and fully qualified to look after your Citroën vehicle. Our team is always kept up-to-date with the latest developments in the automotive industry, thanks to a rigorous ongoing training programme conducted by our in-house trainers, as well as trainers from the manufacturer.

With more than a century-long history in the automotive industry in Singapore, you can entrust your vehicle to Cycle & Carriage, knowing that we use the latest recommended diagnostic system – Diagbox, from the manufacturer. We also use Grade A genuine parts and right specifications of lubricants and consumables, so as to keep your Citroën vehicle running at its optimal condition. This is especially important in a hot and humid tropical climate like Singapore.

All Citroën Cars come with a 5 Year warranty, subject to a maximum mileage of 200,000 km (whichever comes first) Upon expiry of the vehicle's factory warranty at the end of the 3<sup>rd</sup> year or 100,000 km (whichever comes first) from the date of registration, Cycle Carriage undertakes an additional 2 years and 100,000 km of the vehicles' warranty, stretching to a total of 5 years or 200,000 km (whichever comes first).

It is strongly advised you always bring your vehicle to qualified specialist workshops such as Cycle Carriage for servicing at recommended service intervals at every 6 months or 10,000 km, whichever comes first. With complete service history record, this also gives you peace of mind that your vehicle warranty will never be compromised.
