PERFORMANCE THAT DELIVERS

Beneath the elegant exterior lies an advanced engine that powers the commanding Maxus G10 Executive MPV.

The new generation 2-litre turbo-charged engine features Gasoline Direct Injection (GDI) and Double Variable Valve Timing (DVVT) to produce an engine output of up to 215hp and 330Nm of torque

German-engineered 6-speed automatic transmission by ZF offers smooth and responsive drive

Eco/Sport Mode
Eco and Sport mode for the choice of fuel economy or power

GRACIOUSLY SPACIOUS

The Maxus G10 Executive MPV bestows you with plenty of space so you never have to be far apart from the people and things that matter.

7-seater

Seats up to 7 adults plus up to 2,500 litres of stowage, giving you greater flexibility when it comes to space.

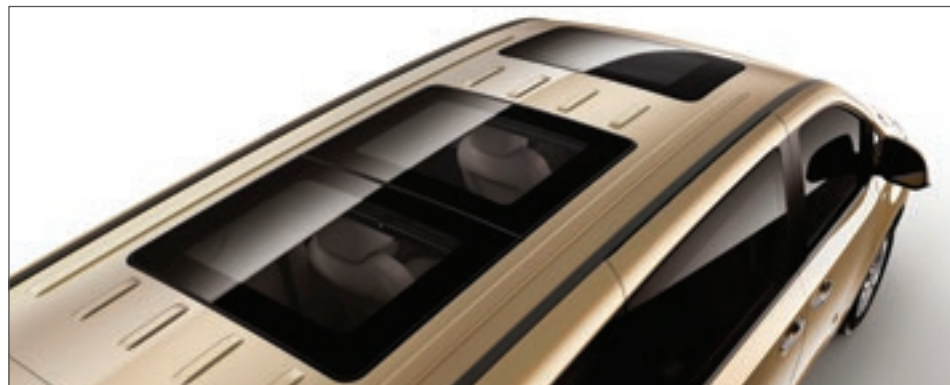

9-seater

Whether you're going on a road trip or just want to fold down the last row of seats for extra boot space, you can change the interior to fit your family's needs.

DESIGN THAT *IMPRESSES*

From a distance, the Maxus G10 Executive MPV leaves a lasting first impression with its imposing profile styled by world-renowned Italian automotive design studio Torino Design. Up close, its sleek lines and rear wind spoiler with third brake light draw you in with the attention to detail.

HID headlamps

Auto-levelling headlamps work together with LED Daytime Running Light to deliver excellent visibility throughout the day.

Panoramic sky view roof

Allows natural light into the cabin to create a larger interior spaciousness.
*For 7-seater only

Power Tailgate

Open the tailgate with ease even when your hands are full.

A Luxurious Drive

Drive in maximum comfort in leather-trimmed seats.

18-inch Alloy Wheel

Stylish design mesmerises on the go.
*16-inch alloy wheel for 9-seater option.

COMFORT THAT *DELIGHTS*

Be greeted by a sense of familiarity upon boarding and unwind as you would at home. On the road, enjoy a smooth drive with German-engineered Nivomat® suspension.

10-inch multimedia touch screen

Pick up need-to-know info with just a glance at the generously-sized screen. Screen includes bluetooth, USB connectivity, and displays the 360° camera mode.

Multi-functional steering wheel

Set the speed or adjust the stereo volume without lifting your hands off the wheel.

Multi-information display

All the essential details you need in a convenient display.

3-pin power outlet

Kick back and stay connected with 220V (150W) charging point.

Captain's seat with leg support

Stretch out in maximum comfort with independent, adjustable captain's seats in the second row.

*Leg Support for 7-seater only

Rear mounted LED monitor

Be entertained on the road with 10-inch LED monitor.

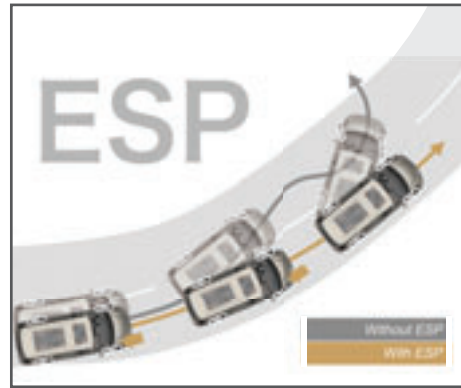

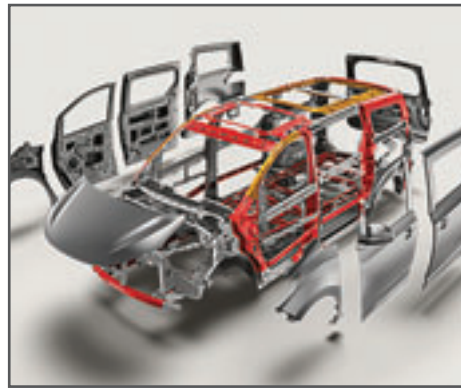

*For 7-seater only

SAFETY & ACCESSIBILITY

Safety remains the top priority for the Maxus G10 Executive MPV from its design to realisation. Packed with industry-leading safety features, the Maxus G10 Executive MPV experience ensures the safety of passengers and pedestrians alike. Now available with a wheelchair-accessible option.

Layer welding technology
Increased welding points strengthen the car frame and further reduce vibration for a more pleasant ride.

Anti-squeeze automatic doors
Smart anti-squeeze automatic sliding door system on both sides makes stepping in and out more convenient and safe.

Electronic stability control
Latest generation of Bosch ESP 9.1. Electronic stabilisation assistance system provides full safety control.

All-round view monitor
Keep an eye on your surroundings with 360-degree parking camera system.

Reverse camera
Works together with parking sensors to get in and out of tight spots with ease.

Wheelchair option available

Motorised swivel chair
Can be lowered to wheelchair height for easy vehicle access.
Do check with our friendly sales consultants to find out more.
