# MIFA 9

The First Premium Fully Electric MPV

## Silent Luxury

Ushering the future of luxury mobility, the MIFA 9 is the first fully electric premium MPV to hit the roads. The 7 seater has a range of 435 km in a single charge, allowing the MIFA 9 to possess the longest range. Under its sharp, sleek exterior, you will find intelligent comfort features as well as the latest in safety technology, so you and your passengers, whether they are family or friends, colleagues or customers, can rest assured that each journey will be a seamless one.

## Fast Charging

Recharge from 20% to 80% in 25 minutes with a 120 kW Direct Current (DC) Charger.

## Ambient Lighting

A premium environment to be in, the MIFA 9 is equipped with panoramic sunroofs and interior ambient lighting customisable to up to 64 colour choices.

## Accessibility

Conveniently placed handles allow for ease of boarding and alighting from the vehicle.

Premium Variant

With ample room for all 7 seats, the MIFA 9 is at the forefront for comfort and style for both the passengers and driver.

Premium Variant

### Designed for Comfort

Elevate the journey further with first class ventilated seats, massage and recline functions, and a footrest. Along side its large windows, multi-zone climate control, high end chrome finishing, the MIFA 9's leather seats ensures every journey is a comfortable one.

Premium Variant

Premium Variant

The MIFA 9 Premium features first class seats with 8-way massage, ventilation, and reclining functions all controlled on a touch screen with memory settings.

### **Wireless Phone Charging**

Located in the front centre console, a wireless charging pad allows for a neat, cable-free cabin.

### **7" Digital Cluster**

The MIFA 9 greets you every time you open the door and keep you well informed on the vehicle's diagnostics via the 7" instrument display.

### **12.3" Infotainment Screen**

Navigate everything from sound and comfort, to driver aid and information via the seamless infotainment screen.

### **USB Charging and 220V Power Outlet**

USB ports keep all rows of passengers connected and charged up. There is also access to a 220V power outlet for the 2nd row seats.

### 19" Multi-Spoke Alloy Wheels

Adding to the striking impression that the MIFA 9 beholds, the 19" multi-spoke alloy wheels allow for sharper, more direct handling.

### Full LED Headlights

With its dynamic, clean LED headlights and daytime running lights, the MIFA 9 is instantly recognizable and commands attention.

### Premium Sound System

Equipped with fully customisable audio mapping, the MIFA 9's premium JBL sound system ensures a high quality audio experience for all passengers.

### Redefining Efficiency

Customisable settings allow the driver to adjust regenerative braking, battery health monitoring, and driving modes for the best driving experience for long journeys.

### Driver Assistance

Certified 5-star Euro NCAP and ANCAP safety rating, the MIFA 9 is designed to protect you with state of the art technology. This people mover also features intelligent driving modes such as Normal, Power, and Eco, for the driver to adapt their own driving style for any occasion. Perfect for the daily commutes in busy cities or expressways.

### 360 Degree Panoramic Camera

See everything around the vehicle from a birds-eye view with the 360 degree panoramic camera.

### Autonomous Emergency Braking

Autonomous Emergency Braking (AEB) uses the front and rear sensors to detect obstacles close to the vehicle. In the event the driver fails to respond, the AEB will automatically apply the brakes.

### **Adaptive Cruise Control**

Adaptive Cruise Control uses radars to help your vehicle maintain the same speed as the vehicle in front.

### **Rear Cross Traffic Alert**

Rear Cross Traffic Alert uses sensors to detect vehicles or pedestrians crossing when the vehicle is in reverse.

### **Blind Spot Monitoring**

Know what is going on all around the vehicle with blind spot monitoring, ensuring a safe trip down crowded streets.

### **Lane Keep Assist**

Lane Keep Assist uses cameras to determine the position of the vehicle and apply steering if the vehicle drifts out of lane.

### **Making Room for More**

With configurable rear seats and an electric tailgate, loading luggage or shopping bags will never be a hassle again. Adjustable seats allow you to load large, odd shaped items for your journey with ease.

Without adjusting the seats, the MIFA 9 can accommodate 4 suitcases in the rear boot.

Configurable seats allow different configurations by folding down 1 or 2 rear seats and still seat 6 passengers.

Folding down all rear seats allows ample room for unique and oddly shaped belongings while maintaining comfort within the vehicle.
