# DRIVE YOUR AMBITION

Mitsubishi has always been driven to be adventurous and progressive. Since the launch of the Mitsubishi Model A, Japan's first mass-produced passenger car, we have defied the odds time and again to make our mark globally. Over the years, our cars have taken Singaporeans on all kinds of journeys – from around neighbourhoods to across borders. Because whatever your ambition or destination, there's a Mitsubishi that's perfect for you.

# ENGELBERG TOURER

What happens when you combine a bold vision for an electric future with our boundless drive to innovate? You get the Mitsubishi Engelberg Tourer, unmasked at the 2019 Geneva Motor Show as the latest evolution of the plug-in hybrid SUV, with next-gen electrification technology and four-wheel control.

# MI-TECH

Defined by its bold retro-futuristic design, the MI-TECH was unveiled at the Tokyo Motor Show 2019 as the future of off-road exploration. Flanked by tomorrow's technology and sculpted for exploration, the Mitsubishi MI-TECH Concept is the new small SUV concept car to push your adventurous ambition.

# DENDO DRIVE HOUSE

Imagine an energy ecosystem that would enable you to generate and store energy automatically between your car and home – that's the Mitsubishi Dendo Drive House (DDH). Made possible with a bi-directional charger, solar panels and a home battery, the DDH redefines the value of tomorrow's automobile electrification.

# THE ECLIPSE CROSS AN SUV REINVENTED

From a medley of meticulous design and sophisticated technology, comes a high-performance SUV with the stature of a leader and the off-road expertise of Mitsubishi – the Eclipse Cross.

You'll find yourself relishing a brisk driving experience, powered by the 1.5l direct-injection turbocharged MIVEC engine with an 8-speed Sports Mode. No wonder the Automotive Researchers' and Journalists' Conference of Japan (RJC) have lauded the Eclipse Cross the **2019 RJC Car of the Year**.

The Eclipse Cross puts you in command, not just of the drive, but also of the future. Seamless connectivity features like the Smartphone Link Display Audio System (SDA) marry driver-centric interior features, bringing you state-of-the-art connectivity for the road ahead.
